## *Editorial Board*

J. F. WRIGHT (*General Editor*), R. W. BACON, W. M. CORDEN,
J. S. FLEMMING, SIR JOHN HICKS, D. L. MUNBY,
M. FG. SCOTT, F. SETON, N. WATTS

ALTHOUGH IT WAS originally intended as a channel for publication of articles by Oxford authors, contributions from elsewhere are welcome. While most of the articles published will be concerned with Economics, the Editors also hope to accept articles on Economic History and Public Administration, provided these are likely to be of general interest to economists.

Books are not reviewed, but substantial review articles will be considered. The Editors will also welcome bibliographical surveys designed to be of use to the general economist.
